Seeking applications for the York Art Association's 2016 Letitia Moore Scholarship

Calling All Artists!!

We are searching for members who would be interested in speaking about a topic for a Thursday night speaker series which will be starting soon. We are thinking of a once a month 5-7pm time frame. Speaker would have time for a talk followed by questions. Refreshments would be served.

We are also looking for members who would be willing to do short demos or "make and take" events once a month on a Sunday. It would be an afternoon activity from 2:00-4:00pm followed by refreshments.

If you are interested in helping us bring more people to visit the gallery and increasing participation, please get in touch with Corrine Gilman at twofishes@me.com. She will give you all the details!

The Letitia Moore Charitable Trust Scholarship was established by the York Art Association in 2009 from a bequest by the late artist and York Art Association member, Letitia Moore. The Letitia Moore Charitable Trust Scholarship is available to any student who is currently enrolled in an accredited college or university, is majoring in art or art history and has completed his or her first year of study with a grade point average of 3.0 or greater.

DEAR FAMILY & FRIENDS OF THIS YEAR'S YORK HARBOR MUSIC & ART CAMP KIDS,

Thank you for coming to Family Day on Friday and sharing in so much fun with us.

We truly appreciate all your cooperation & support to launch our first summer of art camp. We also want to acknowledge the great partnership with St. Georges as well. It all went great!

SO, GUESS WHAT?

We have another fun workshop planned this October for kids! Stay Tuned!

A very special thank you to all who volunteered their time & efforts for our first York Harbor Music & Arts Camp. It was a huge success because of our supporters and volunteers. We could not have done it without you! Thank you!
